| The bees have a communication's method that uses a combing. | We have a method to interpretate the bible that use combing. |
| The communication always is based upon the sun. | Always use bible to be based upon the sun of righteousness, Jesus Christ. |
| The combing has the purpose to find food. | The study "line upon line" has the purpose to find the spiritual food. |
| Looking for food, there will happen the gelatination. Looking for the words from the bible, the souls of the spirit will be able in our lives. | Looking for the words from the bible, the souls of the spirit will be able in our lives. |
| When the good food is found, the bees "tell" to the others. | We have to preach the message to the others. |
| The bees produce honey, that feed them on the moments of adversity. | The honey (spiritual message, Word of God, divine wisdom) will feed us on the moments of adversity. |
